

Elite Oligarchy: hypocrites who attend church but support abortion

How can you go to Church on Sunday and support abortion in violation of God's Word...Many of the so-called conservatives have no problem with it. In fact, some the best known families have long time ties to Planned Parenthood, Margaret Sanger, and Eugenics, the killing and reduction in population of the less than undesirables. Take the Bush family for example...<http://www.thenewamerican.com/usnews/politics/item/5643-planned-parenthood-republicans-a-decades-long-history>

Planned Parenthood Is Democrats' "Golden Goose," All American Taxpayers Have Made Political Donations to Dems for Past 16 Years – Thanks, Conservatives!

No wonder the Democrats fought so hard to keep funding Planned Parenthood. Not only do they want American taxpayers to keep paying for abortions (PP is the [largest provider of abortions](#) in the nation and [performed one every 95 seconds during 2009](#)), while claiming that millions of women would [never get mammograms](#) and would likely DIE if the organization lost its federal funding – but PP is a **major contributor to the campaign coffers of the Democrat Party.**

Imagine that.

Planned Parenthood is the golden goose for Democrats that American taxpayers fund... one of *many* secret golden geese, no doubt.http://www.frugal-cafe.com/public_html/frugal-blog/fruga

Bet the Bushes wish you couldn't see this. How many of you knew that Prescott Bush, father of Bush 41 and grandfather of 43, was THE Treasurer of the 1st Planned Parenthood Fundraising Campaign back in 1947?

Oh yes, the Bush Family and the Walker Family were joined at the hip in Eugenics and support of killing the undesireables...http://www.randomhouse.com/doubleday/thefamily/media/thefamily_document007a.pdf

FACTS ARE STUBBORN THINGS...Bushes have tried to rewrite history, and having Bush 41 in CIA helped a lot...
