

The Religious Mask of Communism "Rogue Nation"

"The U.N. is the biggest fraud in history. It's goal is to destroy the United States". Congressman John Rankin Mississippi First District.

"There are no allies in state politics just common interests".

"Rogue Nation"

Where is supporting the U.N. agenda leading Americans? Is this state in the middle east representing The biblical "House of David" or "The House of Rothschild"?

What is the Jesuit Order and why was it banned in over 70 countries and by Pope Clement XIV himself?

What is the history of Jesuit Order and their origins in Spain prior to Spanish Inquisition?

THE JEWISH UTOPIA", discovered by the author in an unlisted Jewish collection in the library of the University of Texas, is the authentic and complete plan of the Zionists for world domination. It pictures the ultimate "new social order" which the Zionists hope to establish after they have used Communism, democracy and a third world war to gain their ends.

THE ULTIMATE WORLD ORDER is an analysis of "The Jewish Utopia", with photographs and excerpts from the original text.

The Ultimate World Order – as Pictured in "The Jewish Utopia"

If the Communists think they are going to conquer all the nations and set up a world government under a dictator of their own choosing they may be in for a surprise. For their parent, the sect which originally launched the Communist movement as an offshoot to accomplish a specific and temporary purpose, has plans for an ultimate world order of its own; and this sect, commonly called Zionist, now vastly overshadows the much cruder Communist machine in skill, finance, organization and influence.

The Communist plan for rubbing out all national, religious, cultural and racial lines and submerging the world in formless, characterless chaos for easy domination is grandiose enough. To say that there is still another, more grandiose plan beyond that for which the Communist machine was set up is indeed to challenge the credulity of most of us, especially of us Anglo-Saxons who are too busy with our humdrum routines to pull the propaganda curtain aside and see the giant hiding there.

Not many years after I began studying the Communist movement, trying to understand it, I noticed a hint that Communism was not to be the ultimate world order. Heinrich Heine, German-Jewish poet and Communist youth leader of the 1830s and 1840s (friend and co-revolutionary of Karl Marx) spoke of Communism as temporary.*

Why and in what way temporary? What did this far-sighted master strategist of revolution see as the successor to Communism? Is it not disturbing enough that a machine dedicated to liquidating all opponents, wiping out the nations as such and the best blood of the races and blending the remnants into a faceless brown slob (see picture from a UNESCO book elsewhere herein) – is it not disturbing enough that this the Communist machine already enslaves nearly half the people of the world and is armed with hydrogen bombs?

*The Heine prophecy of the destruction of Russia nearly a hundred years before the event is so revealing and so amazing as to justify quoting at some length. Note the picture of a nationless, raceless world, “one flock and one shepherd . . . with an iron staff”:

“Communism, though little discussed now and loitering in hidden garrets on miserable straw pallets, is the dark hero destined for a great, if temporary, role in the modern tragedy
... .

“It would be war, the ghastliest war of destruction . . . The second act is the European and the World Revolution, the great duel between the destitute and the aristocracy of wealth; and in that there will be no mention of either nationality or religion; there will be only one fatherland, the globe, and only one faith, that in happiness on earth . . .

How could the drama end? “I do not know; but I think that eventually the great sea serpent (Britain) will have its head crushed and the skin of the Northern Bear (Russia) will be pulled over its ears. There may be only one flock and one shepherd – one free shepherd with an iron staff, and a shorn-alike, bleating-alike human herd! . . .

“... The Gods are veiling their faces in pity on the children of man, their long-time charges, and perhaps over their own fate. The future smells of Russian leather, blood, godlessness and

many whippings. I should advise our grandchildren to be born with very thick skins on their backs." 1

If Communism is only temporary, what is to be the ultimate *novus ordo seclorum*, the new order, of society if the successors to the Jewish revolutionaries, Marx and Heine, accomplish their aim? Who are to be the masters of the new order and what do they want to do with our children and grandchildren?

It goes without saying that no man can escape concern about such a scheme if it has powerful backing.

For years I have felt that somewhere there must be a master plan showing what Heine and his fellow planners had in mind for us, after the fires of Communism burn away the heritages of the various races and cultures, religions and nations; after Communist monsters have killed out several generations of what they rightfully call "the leadership personnel", all who might have the intelligence, skill and courage to resist.

But I little expected ever to have this ultimate master plan, this chapter beyond the Communist Manifesto, in my hands. Of the hundreds of documents I have collected on activities of the Marxist revolutionaries – including originals or photostats of official government reports, Intelligence releases, Communist papers, Zionist organizational reports to their members, Jewish histories of revolutions, biographies of their revolutionary leaders, etc. – I have never seen anything comparable; for this small book sketches the general outlines of the ultimate goal hundreds of years ahead, toward which all the various activities of the Zionists and their "liberal" dupes are, wittingly or unwittingly, contributing.

ZIONISM FROM TALMUD AND TORAH

Yet, the book was not marked secret; it was in plain English and in the Library of the University of Texas. (And a friend has found a copy in the Library of Congress, Washington, D.C.,

supposedly a copy which was filed with application for copyright in 1932.)

It is a book of 118 pages, plus preface, notes and bibliography, entitled The Jewish Utopia (not A Jewish Utopia, but THE Jewish Utopia), by Michael Higger, a university professor, published by the Lord Baltimore Press, Baltimore, Md., 1932, and copyrighted the same year by the author. If the book is not marked secret, if it is in plain English, it is nevertheless almost safe, for it is largely couched in the esoteric language which all Jewish revolutionaries have used throughout known history, language found even in their Torah, (the Books of Moses) and which Jewish writers imparted to Communist literature. Their use of words which you and I take to mean one thing but which their followers understand as meaning something else, a system which our people little suspect, almost guarantees the security of the document.

Here at last is the complete plan of the Zionists, in their own words, for world domination.

The author speaks of "the righteous" and "the just". He says they shall inherit the earth. He quotes the Prophets, the Books of Moses, etc. Who would suspect that he had political revolution and total conquest in mind?

But read on and you find that the "righteous" are to be the Zionist Jews and such gentiles as they may accept. All others shall perish.

That is what the author says repeatedly, on page after page. And note that this book is not the creation of the Jewish Professor, Michael Higger; he merely compiled it. It is the sum total of the prophecies, teachings, plans and interpretations of the foremost rabbis and Jewish tribal leaders of the past 2500 years – since the time of the Oral Law and the beginning of the Babylonian Talmud, with its double standard for Jews and non-Jews and its nationalistic,

militant interpretation of the Torah (the Books of Moses, the first five books of the Old Testament).

There is no mistaking who is meant by "the righteous". Mr. Higger says even those Jews who fail to enter into the program of the Utopia (which he reveals to be the same program of Socialism, brotherhood and internationalism as that of the Zionists and involving much also that is Communist) will be denied the Utopia. Even the non-conforming Jews shall perish, along with the rest of us.

On page after page Mr. Higger's Jewish Utopia unfolds the ultimate order. Some mighty force, with the ruler from the house of David on the throne, is to take control of every life, every shekel's worth of property, every acre of land, every nugget and coin; no child may live, none may be born, if the Power objects.

And the regard in which The Jewish Utopia is held by the rabbinate may be surmised from the printed Texas University Library seal inside the front cover, (see photograph) which says the book was "Presented by the Kallah of Texas Rabbis, 1939" to The Abraham I. Schechter Collection of Hebraica and Judaica" of the University library.

I stated earlier that the book was in plain English. The fact is, it is addressed throughout to students familiar with the Talmud, the teachings of the foremost rabbis of Jewish history; it was not in the library proper but in the Abraham I. Schechter collection, to which one may have access only by special permission; and it was not, and is not, listed in the library catalogue.

We shall see presently the plan in detail. We would dismiss the entire book as a daydream by an unbalanced mind but for the facts of history, including current history, in which the Socialistic man-trap has caught this and other countries and people, and is steadily sucking their blood. The Jewish

machine has men in the most powerful positions; protected by the cowardice of leaders who fear to be called "anti-Semitic". We are paralyzed by that atom-powered little scare word; we are children afraid of the dark.

Apparently a good many Jews themselves are now fearful of the impending bloodshed. I have known, and do know, many Jews; while the Jewish temperament is incredibly true to pattern, there are many who realize that they have found the Promised Land, their Utopia here intolerant, benevolent, rich America; and if we appeal to these, they might well join us in the fight to keep America free.

Mr. Higger says those Jews who do not knuckle under and who are not "tall and handsome" will be weeded out.

While our first concern is for the survival and continued freedom of our children and grandchildren, we ought to find helpful allies among the Jews. Several million Russian children and many millions of adults have been beaten to death, shot or starved by the insane Marxist machine called Bolshevism, or Communism; and the Zionists, Communists and their foolish "liberal" dupes are far advanced with the Marxist Socialist program in this threatened Republic.

So that the reader may not be asked to take my word, I am showing several pages photographed from Mr. Higger's unique blueprint for conquest.

THE AIM

Professor Higger states his aim in the first paragraph of his Preface:

"For my main problem is to reconstruct an ideal social life on earth as pictured by the rabbis of old."

He adds, later:

"An ideal society among the family of nations, as visualized

by the prophets, although not realized as yet, will ultimately be achieved. Nations will come, nations will go. Dogmatic Christianity has come, dogmatic Christianity will be gone. 'Isms' have created nations, 'isms' will destroy nations. Capitalism has brought happiness and woes to mankind; Communism may bring its paradise and hells to mankind. Doctrines have shaped the destinies of peoples, doctrines may bring destruction to peoples. But the millennium will come only when the nations of the earth direct their efforts toward the visions of the prophets, and make function the teachings of Amos, Isaiah and Micah."

Do Professor Higger and Talmudic rabbis interpret the Prophets as do the Christians? Or do they believe that the Jewish Prophets of the Old Testament were trying to keep their people dedicated to a religion of conquest; trying to keep them united and moving toward political and economic domination? Let us keep the question in mind as we read; eventually we shall find the answer. Mr. Higger continues:
