What is the history of Jesuit Order and their origins in Spain prior to Spanish Inquisition?

Dr. Robert Aleksander Maryks, February 24, 2010, Boston College Front Row.

On the early Jewish Jesuits Ignatius of Loyola and his secretary Juan Alfonso de Polanco, who was also secretary to Loyola's successors Diego Lainez (another "converso") and Francis Borgia.

THE JEWISH UTOPIA", discovered by the author in an unlisted Jewish collection in the library of the University of Texas, is the authentic and complete plan of the Zionists for world domination. It pictures the ultimate "new social order" which the Zionists hope to establish after they have used Communism, democracy and a third world war to gain their ends.

THE ULTIMATE WORLD ORDER is an analysis of "The Jewish Utopia", with photographs and excerpts from the original text.

The Ultimate World Order – as Pictured in "The Jewish Utopia"

If the Communists think they are going to conquer all the nations and set up a world government under a dictator of their own choosing they may be in for a surprise. For their parent, the sect which originally launched the Communist movement as an offshoot to accomplish a specific and temporary purpose, has plans for an ultimate world order of its own; and this sect, commonly called Zionist, now vastly overshadows the much cruder Communist machine in skill, finance, organization and influence.

The Communist plan for rubbing out all national, religious, cultural and racial lines and submerging the world in formless, characterless chaos for easy domination is grandiose enough. To say that there is still another, more grandiose plan beyond that for which the Communist machine was set up is indeed to challenge the credulity of most of us, especially of us Anglo-Saxons who are too busy with our humdrum routines to pull the propaganda curtain aside and see the giant hiding there.

Not many years after I began studying the Communist movement, trying to understand it, I noticed a hint that Communism was not to be the ultimate world order. Heinrich Heine, German-Jewish poet and Communist youth leader of the 1830s and 1840s (friend and co-revolutionary of Karl Marx) spoke of Communism as temporary.\*

Why and in what way temporary? What did this far-sighted master strategist of revolution see as the successor to Communism? Is it not disturbing enough that a machine dedicated to liquidating all opponents, wiping out the nations as such and the best blood of the races and blending the remnants into a faceless brown slob (see picture from a UNESCO book elsewhere herein) – is it not disturbing enough that this the Communist machine already enslaves nearly half the people of the world and is armed with hydrogen bombs?

\*The Heine prophecy of the destruction of Russia nearly a hundred years before the event is so revealing and so amazing as to justify quoting at some length. Note the picture of a nationless, raceless world, “one flock and one shepherd . . . with an iron staff”:

“Communism, though little discussed now and loitering in hidden garrets on miserable straw pallets, is the dark hero destined for a great, if temporary, role in the modern tragedy ...

“It would be war, the ghastliest war of destruction . . . The second act is the European and the World Revolution, the great duel between the destitute and the aristocracy of wealth; and in that there will be no mention of either nationality or religion; there will be only one fatherland, the globe, and only one faith, that in happiness on earth . . .

How could the drama end? “I do not know; but I think that eventually the great sea serpent (Britain) will have its head crushed and the skin of the Northern Bear (Russia) will be pulled over its ears. There may be only one flock and one shepherd – one free shepherd with an iron staff, and a shorn-alike, bleating-alike human herd! . . .

“... The Gods are veiling their faces in pity on the children of man, their long-time charges, and perhaps over their own fate. The future smells of Russian leather, blood, godlessness and

many whippings. I should advise our grandchildren to be born with very thick skins on their backs." 1

If Communism is only temporary, what is to be the ultimate novus ordo seclorum, the new order, of society if the successors to the Jewish revolutionaries, Marx and Heine, accomplish their aim? Who are to be the masters of the new order and what do they want to do with our children and grandchildren?

It goes without saying that no man can escape concern about such a scheme if it has powerful backing.

For years I have felt that somewhere there must be a master plan showing what Heine and his fellow planners had in mind for us, after the fires of Communism burn away the heritages of the various races and cultures, religions and nations; after Communist monsters have killed out several generations of what they rightfully call "the leadership personnel", all who might have the intelligence, skill and courage to resist.

But I little expected ever to have this ultimate master plan, this chapter beyond the Communist Manifesto, in my hands. Of the hundreds of documents I have collected on activities of the Marxist revolutionaries – including originals or photostats of official government reports, Intelligence releases, Communist papers, Zionist organizational reports to their members, Jewish histories of revolutions, biographies of their revolutionary leaders, etc. – I have never seen anything comparable; for this small book sketches the general outlines of the ultimate goal hundreds of years ahead, toward which all the various activities of the Zionists and their "liberal" dupes are, wittingly or unwittingly, contributing.

#### ZIONISM FROM TALMUD AND TORAH

Yet, the book was not marked secret; it was in plain English and in the Library of the University of Texas. (And a friend has found a copy in the Library of Congress, Washington, D.C.,

supposedly a copy which was filed with application for copyright in 1932.)

It is a book of 118 pages, plus preface, notes and bibliography, entitled The Jewish Utopia (not A Jewish Utopia, but THE Jewish Utopia), by Michael Higger, a university professor, published by the Lord Baltimore Press, Baltimore, Md., 1932, and copyrighted the same year by the author. If the book is not marked secret, if it is in plain English, it is nevertheless almost safe, for it is largely couched in the esoteric language which all Jewish revolutionaries have used throughout known history, language found even in their Torah, (the Books of Moses) and which Jewish writers imparted to Communist literature. Their use of words which you and I take to mean one thing but which their followers understand as meaning something else, a system which our people little suspect, almost guarantees the security of the document.

Here at last is the complete plan of the Zionists, in their own words, for world domination.

The author speaks of "the righteous" and "the just". He says they shall inherit the earth. He quotes the Prophets, the Books of Moses, etc. Who would suspect that he had political revolution and total conquest in mind?

But read on and you find that the "righteous" are to be the Zionist Jews and such gentiles as they may accept. All others shall perish.

That is what the author says repeatedly, on page after page. And note that this book is not the creation of the Jewish Professor, Michael Higger; he merely compiled it. It is the sum total of the prophecies, teachings, plans and interpretations of the foremost rabbis and Jewish tribal leaders of the past 2500 years – since the time of the Oral Law and the beginning of the Babylonian Talmud, with its double standard for Jews and non-Jews and its nationalistic,

militant interpretation of the Torah (the Books of Moses, the first five books of the Old Testament).

There is no mistaking who is meant by "the righteous". Mr. Higger says even those Jews who fail to enter into the program of the Utopia (which he reveals to be the same program of Socialism, brotherhood and internationalism as that of the Zionists and involving much also that is Communist) will be denied the Utopia. Even the non-conforming Jews shall perish, along with the rest of us.

On page after page Mr. Higger's Jewish Utopia unfolds the ultimate order. Some mighty force, with the ruler from the house of David on the throne, is to take control of every life, every shekel's worth of property, every acre of land, every nugget and coin; no child may live, none may be born, if the Power objects.

And the regard in which The Jewish Utopia is held by the rabbinate may be surmised from the printed Texas University Library seal inside the front cover, (see photograph) which says the book was "Presented by the Kallah of Texas Rabbis, 1939" to The Abraham I. Schechter Collection of Hebraica and Judaica" of the University library.

I stated earlier that the book was in plain English. The fact is, it is addressed throughout to students familiar with the Talmud, the teachings of the foremost rabbis of Jewish history; it was not in the library proper but in the Abraham I. Schechter collection, to which one may have access only by special permission; and it was not, and is not, listed in the library catalogue.

We shall see presently the plan in detail. We would dismiss the entire book as a daydream by an unbalanced mind but for the facts of history, including current history, in which the Socialistic man-trap has caught this and other countries and people, and is steadily sucking their blood. The Jewish

machine has men in the most powerful positions; protected by the cowardice of leaders who fear to be called "anti-Semitic". We are paralyzed by that atom-powered little scare word; we are children afraid of the dark.

Apparently a good many Jews themselves are now fearful of the impending bloodshed. I have known, and do know, many Jews; while the Jewish temperament is incredibly true to pattern, there are many who realize that they have found the Promised Land, their Utopia here intolerant, benevolent, rich America; and if we appeal to these, they might well join us in the fight to keep America free.

Mr. Higger says those Jews who do not knuckle under and who are not "tall and handsome" will be weeded out.

While our first concern is for the survival and continued freedom of our children and grandchildren, we ought to find helpful allies among the Jews. Several million Russian children and many millions of adults have been beaten to death, shot or starved by the insane Marxist machine called Bolshevism, or Communism; and the Zionists, Communists and their foolish "liberal" dupes are far advanced with the Marxist Socialist program in this threatened Republic.

So that the reader may not be asked to take my word, I am showing several pages photographed from Mr. Higger's unique blueprint for conquest.

## THE AIM

Professor Higger states his aim in the first paragraph of his Preface:

"For my main problem is to reconstruct an ideal social life on earth as pictured by the rabbis of old."

He adds, later:

"An ideal society among the family of nations, as visualized

by the prophets, although not realized as yet, will ultimately be achieved. Nations will come, nations will go. Dogmatic Christianity has come, dogmatic Christianity will be gone. 'Isms' have created nations, 'isms' will destroy nations. Capitalism has brought happiness and woes to mankind; Communism may bring its paradise and hells to mankind. Doctrines have shaped the destinies of peoples, doctrines may bring destruction to peoples. But the millennium will come only when the nations of the earth direct their efforts toward the visions of the prophets, and make function the teachings of Amos, Isaiah and Micah."

Do Professor Higger and Talmudic rabbis interpret the Prophets as do the Christians? Or do they believe that the Jewish Prophets of the Old Testament were trying to keep their people dedicated to a religion of conquest; trying to keep them united and moving toward political and economic domination? Let us keep the question in mind as we read; eventually we shall find the answer. Mr. Higger continues:

## **"Paradigm Shift"**

This dramatic change in attitudes was given a special name: Paradigm Shift. The most succinct definition of this strange term is given by the official New Age Dictionary. Paradigm Shift is defined as a "spiritual or mental axis-shift; a change in perception or world view". Paradigm itself is defined as "a set of deep concerns...dogmas

and assumptions..." In other words, Paradigm refers to those deeply held religious beliefs by which a person lives their life.

## Earth Day 2015: Inspiring Evidence of a Paradigm Shift

Hillary's "Paradigm Shift" can be seen throughout our nation and the world from her actions while serving in key positions of government. But few recognize it due to the degenerating effect of demoralization and mental effects of psychological subversion. Few know Earth Day was Vladimir Lenin's Birthday, and with government's arm in businesses, it was celebrated in grocery stores and public schools. It is obvious the manipulation of the economy was identical to the Civil War and the Great Depression. Hillary was nicknamed Alinsky's daughter for a reason. The level of lawlessness will only lead to the prophetic "shift" of Ezekiel's wheel, which the world is not ready for. Then will come the time that Chelsea will see her "third universe". If Hillary's lawlessness continues, could the "paradigm shift" lead to Bill's Jimmy Kimmel interview featuring his prediction of an "Independence Day" alien invasion?

We have few watchmen since First Lady Hillary Clinton engaged the Religious Roundtable and now, as in Jezebel's day, the prophetic voice has aligned itself with the political voice to be cared for during this shift. It was Jezebel who ran the show, not Ahab. This was seen in many presidencies, including Franklin and Eleanor Roosevelt's. This is why Hillary [channels](#) Eleanor frequently for advice.

J. Edgar Hoover exposed Eleanor Roosevelt and FDR for communist activities. Eleanor's biggest accomplishment, in her eyes, was the U.N. Charter to accomplish the goals that Woodrow Wilson had failed with the League of Nations. First

## **Kabbalah Mystics Have Power Over Politicians 2/13/2013**

Bill and Hillary Clinton became enthusiastic followers of this eccentric cult. It has been described as a Jewish Heresy that mixes the Old Testament with Medieval cabbala mysticism, plus a noticeable amount of 1960's university Marxism. This unhealthy Tikkun Cult gripped the imagination of the Clintons who claimed they looked to it for inspiration. Bill Clinton wrote a letter in 1988 saying "You have helped me clarify my own thinking.." Hillary was also converted and became a true believer. As a result she went on a crusade to "feminise" America.

Under the influence of Tikkun, Hillary Clinton said during a speech that [she wanted to achieve for America a "New Covenant"](#) by means of the "paradigm shift". Few people understood what she meant. However, the subversive movement was so enthralled with their Clinton stooges that they continued to use them in international political affairs long after they were out of office. ## Rome and the Abomination of Desolation

Every prophecy Jesus gave was fulfilled during destruction of the 2nd Temple after daily sacrifices began. The apostles in Jerusalem remembered the Master's warning. Ten years earlier, in the last days before he suffered, the Master told his disciples that they would hear of wars and natural disasters and experience harsh persecution, but those things did not signify either the fall of Jerusalem or the coming of the Son of Man. **Instead, they should watch for a definitive sign: "The abomination of desolation standing where he ought not to be" (Mark 13:14), that is, "the abomination of desolation spoken of through the prophet Daniel, standing in the holy place" (Matthew 24:15).** He told them that when they saw the abomination of desolation, they would know that the final calamity before his coming was imminent, and they should flee from Jerusalem and from the cities and villages of Judea.

The disciples prepared to flee. Without a doubt, the final battle of Gog and Magog, as predicted by Ezekiel and Zechariah, loomed just ahead. Already the armies of Gog and Magog came marching from the north under the standards of Rome. [Short history leading to destruction of second temple.](#) The prophecies of New Testament must be fulfilled that the gospel of Jesus Christ be preached to all nations.

As we come closer to the end times and the Great Tribulation, it is imperative to find out what the Antichrist religion will entail and the Bible gives plenty of evidence to identify this secret religion of the Man of Sin. The Scriptures say he will be Jewish and will not worship the God of his father's but the god of the Kabbalah, and his secret number will be 666, a number that King Solomon took as the head of the Kabbalistic movement. He will rule the world from Jerusalem where he will build a new temple and reinstitute daily sacrifices.

This Man of Sin won't tolerate any other religion and will relentlessly persecute all Christians who refuse to take his mark of loyalty and join his religious system because he cannot co-exist with Jesus Christ. He will be empowered by Satan and will be introduced as the long awaited messiah. People will be told that the Jesus of the New Testament is an imposter. The book of Hebrews with its references to temple worship and sacrifices no longer being valid will be declared blasphemy and it will be total war against God and the Christians on earth. Are you prepared to face the Antichrist régime and warning those around you of the impending danger?

Social Engineering and moral break down of Society

[Anomie](#) and [Strain Theory](#)

Is United Nation's Global L.G.B.T. Resolution the beginning of the end for humanity? Is there a pattern in world history associated with decline of civil morality? THOMAS JEFFERSON STATED: "History by apprising them of the past will enable them to judge of the future; it will avail them of the experience of other times and other nations; it will qualify them as judges of the actions and designs of men; it will enable them to know ambition under every disguise it may assume; and knowing it, to defeat its views".

Beheading of St. Paul by order of Nero. When the Apostle Paul was put to death in Rome, sometime during the later part of the reign of Nero (between AD66-68), a long list of well-known church leaders had been heavily under his influence. Many of these names are familiar to most Christians: Barnabas, Mark, Luke, Timothy, Titus, Philemon, Silas, Priscilla, Aquila, and Apollos. There are many other names included in Paul's biography and

letters about whom  
little is known. Many

To truly understand how Saul Alinsky got his ideas for his book, "Rules for Radicals," one must look into Alinsky's past. Alinsky was heavily influenced by an Italian Communist by the name of Antonio Gramsci.

Extremely wealthy individuals, like George Soros, may be thought of as modern hegemons because they can make disproportionately large contributions to political causes and candidates.

Obama's Ideological Father: "[Gramsci](#)... organized the Italian Communist party in 1921... Since this was four years after the Russian Revolution,

Gramsci assumed Italians would welcome a Bolshevik convulsion of their own. But it didn't happen.... He found three explanations: Christianity, nationalism and charity. ...the way to set the stage for a Marxist revolution was in coming to grips with these three conditions....

If Christianity is part of The Common Law as James Wilson stated why would Hillary deliberately push U.N. agenda to subvert U.S. law.

## John Adams address to MA Officers

"While our country remains untainted with the principles and

manners which are now producing desolation in so many parts of the world; while she continues sincere, and incapable of insidious and impious policy, we shall have the strongest reason to rejoice in the local destination assigned us by Providence. But should the people of America once become capable of that deep simulation towards one another, and towards foreign nations, which assumes the language of justice and moderation while it is practising iniquity and extravagance, and displays I have received from Major-General Hull and Brigadier, General Walker your unanimous address from Lexington, animated with a martial spirit, and expressed with a military dignity becoming your character and the memorable plains on which it was adopted. in the most captivating manner the charming pictures of candor, frankness, and sincerity, while it is rioting in rapine and insolence, this country will be the most miserable habitation in the World; "because we have no government armed with power capable of contending with human passions unbridled by morality and religion. Avarice, ambition, revenge, or gallantry, would break the strongest cords of our Constitution as a whale goes through a net. Our Constitution was made only for a moral and religious people. It is wholly inadequate to the government of any other."

An address from the officers commanding two thousand eight hundred men, consisting of such substantial citizens as are able and willing at their own expense completely to arm and clothe themselves in handsome uniforms, does honor to that division of the militia which has done so much honor to its country. Oaths in this country are as yet universally considered as sacred obligations. That which you have taken and so solemnly repeated on that venerable spot, is an ample pledge of your sincerity and devotion to your country and its government.
