

CLINTONS ' "NEW" SOCIAL CONTRACT COVENANTS AND AMERICA'S "PARADIGM SHIFT"

Clintons' effects on America's sovereignty and virtue

"The government... can never be in danger of degenerating into a monarchy, and oligarchy, an aristocracy, or any other despotic or oppressive form so long as there shall remain any virtue in the body of the people." George Washington in Letter to the Marquis de Lafayette, February 7, 1788

Freer trade abroad means more jobs at home. Every \$1 billion in U.S. exports generates 20-30,000 more jobs. We must find ways to help developing nations finally overcome their debt crisis, which has lessened their capacity to buy American goods and probably cost us 1.5 million American jobs." Bill Clinton "A New Covenant for American Security" Governor Bill Clinton Georgetown University December 12, 1991

Bill Clinton continued his "New Deal" by violating the Founding Fathers covenant. The Clinton administration created the N.A.F.T.A Act which opened the door for mass illegal immigration. We have seen ["dramatic" change to our economy however it was not](#) "good for American People".

In lieu of upcoming TPP Partnership Trade Agreement can we see by previous trade agreements and condition of our economy it could be the last nail in the coffin?

"O My people! Their oppressors are children, And women rule over them. O My people! Those who guide you lead you astray And confuse the direction of your paths." Isaiah 3:

"The LORD detests dishonest scales, but accurate weights find favor with him." Proverbs 11:1

"The covenant calls for an agreement among citizens, businesses, government and faith groups to adhere to universal ethical values, reduce job inequality, become stewards of the environment and more." Whatever you want to call that "third universe"

SEPTEMBER 19, 2013 – CHELSEA CLINTON JOINED GEORGETOWN President John J. DeGioia for a conversation yesterday as part of a two-day World Economic Forum (WEF)'s Global Agenda Council on Values conference hosted by the university.

The conference, "The New Social Covenant: Committing to Human Dignity and Common Values in the Global Economy," focused on the New Social Covenant, a document developed by WEF's Global Agenda Council on Values.

Is Chelsea Clinton speaking of an "Established Religion" and global trade agreements with humanity similar to Solomon's with King of Tyre??

"Paradigm Shift"

This dramatic change in attitudes was given a special name: Paradigm Shift. The most succinct definition of this strange term is given by the official New Age Dictionary. Paradigm Shift is defined as a "spiritual or mental axis-shift; a change in perception or world view". Paradigm itself is defined as "a set of deep concerns...dogmas and assumptions..." In other words, Paradigm refers to those deeply held religious beliefs by which a person lives their life.

Earth Day 2015: Inspiring Evidence of a Paradigm Shift

Hillary's "Paradigm Shift" can be seen throughout our nation and the world from her actions while serving in key positions of government. But few recognize it due to the degenerating effect of demoralization and mental effects of psychological subversion. Few know Earth Day was Vladimir Lenin's Birthday, and with government's arm in businesses, it was celebrated in grocery stores and public schools. It is obvious the manipulation of the economy was identical to the Civil War and the Great Depression. Hillary was nicknamed Alinsky's daughter for a reason. The level of lawlessness will only lead to the prophetic "shift" of Ezekiel's wheel, which the world is not ready for. Then will come the time that Chelsea will see her "third universe". If Hillary's lawlessness continues, could the "paradigm shift" lead to Bill's Jimmy Kimmel interview featuring his prediction of an "Independence Day" alien invasion?

We have few watchmen since First Lady Hillary Clinton engaged the Religious Roundtable and now, as in Jezebel's day, the prophetic voice has aligned itself with the political voice to be cared for during this shift. It was Jezebel who ran the show, not Ahab. This was seen in many presidencies, including Franklin and Eleanor Roosevelt's. This is why Hillary [channels](#) Eleanor frequently for advice.

J. Edgar Hoover exposed Eleanor Roosevelt and FDR for communist activities. Eleanor's biggest accomplishment, in her eyes, was the U.N. Charter to accomplish the goals that Woodrow Wilson had failed with the League of Nations. First Lady Hillary Clinton changes advanced the global goals of U.N. with her multifaceted "[Millennium Project](#)" 2000 executive order.

“Silent actions are transforming our way of life, and when placed together like pieces of a puzzle, demonstrate to us that we are, in fact, experiencing a paradigm shift.”

Kabbalah Mystics Have Power Over Politicians 2/13/2013

Bill and Hillary Clinton became enthusiastic followers of this eccentric cult. It has been described as a Jewish Heresy that mixes the Old Testament with Medieval cabbala mysticism, plus a noticeable amount of 1960's university Marxism. This unhealthy Tikkun Cult gripped the imagination of the Clintons who claimed they looked to it for inspiration. Bill Clinton wrote a letter in 1988 saying “You have helped me clarify my own thinking..” Hillary was also converted and became a true believer. As a result she went on a crusade to “feminise” America.

Under the influence of Tikkun, Hillary Clinton said during a speech that she wanted to achieve for America a “New Covenant” by means of the “paradigm shift”. Few people understood what she meant. However, the subversive movement was so enthralled with their Clinton stooges that they continued to use them in international political affairs long after they were out of office. The White House guru “Michael Lerner” made famous by First Lady Hillary Clinton adapting his “politics of reason”.

Michael Lerner was considered by J. Edgar Hoover for 60's radical activities as “most dangerous mind in the

world". Was "Hale-Bopp" comet during Clinton Administration Hillary's "paradigm shift"?

"The Alchemist made a big mistake trying to turn base metals into gold by incantation. With chemical elements alchemy doesn't work. But it does work in the financial markets, because "incantations" can influence the decisions of the people who shape the course of events". George Soros "Soros on Soros"

“Whether our religion permits Christians to vote for infidel rulers is a question which merits more consideration than it seems yet to have generally received either from the clergy or the

[After King John's "Magna Charter"](#) England went to a gradual moral decline between powers of ruling families. The Holy Experiment” to establish a “Moral-Self-Governing” Society. The Bible being the ultimate source of morality for Christians they wrote biblical Laws into the Common Law to establish morality. In terms of Religion that was “Free Will” and choice to ensure that even Christianity would not become an “Established Religion”. This nation was not established upon ANY established religion. There is bi-partisan effort dueling for control in America. Education Day served its purpose brainwashing America into the “great falling away”. The minute we place an Established Religion in place of our Constitution that’s when we enter “The Dark Ages” according to Daniel Webster.

"Render unto Caesar what is Caesar's and unto God what is God's. Under William Blackstone's government philosophy liberties are granted by Nature's God.

“Providence has given our people the choice of their rulers, and it is the duty, as well as privilege and interest, of a Christian nation to select and prefer Christians for their rulers.”

John Jay First Chief Justice Oct. 12, 1816, in a statement, The Correspondence and Public Papers of John Jay, Henry Johnston

Our Founding Father’s wrote Blackstone’s laws (biblical laws) into Common Law to ensure “morality” but leaving actual

religious belief up to conscience and free will. Preventing the religious tyranny of England they created "Establishment Clause" in First Amendment. Being well educated and carefully analyzing previous governments throughout history understanding [no civilization survived "moral decay"](#). Constitutional debates lasted from May 25 to September 17, 1787 This point was crucial creating a "Self-Governing" Republic. Our Constitution's [Tenth Amendment](#) and Article 4 Sec. 4 the ["guarantee clause"](#). Understanding the private ambitions of men our Founding Father's patterned 2nd Amendment after [the first Law of Nature \(irrevocable right to life and self-defense\)](#) to protect rights granted only by "The Creator". While the revisionists, humanists and atheists deny this the stubborn facts are here if we only open our minds to truth.

The definition of a CoG is "the source of power that provides moral or physical strength, freedom of action, or will to act."

Thus, the center of gravity is usually seen as the "source of strength". DOD War Department definition of Prussian Military War Strategist Karl Von Clausewitz "Center of Gravity" from "On War".

"We hold it for a fundamental and undeniable truth "that religion, or the duty which we owe our Creator, and the manner of discharging it, can be directed only by reason and conviction,

not by force or violence.” The religion, then, of every man must be left to the conviction and conscience of every man: and that it is the right of every man to exercise it as these may dictate”. James Madison, A Memorial and Remonstrance Against Religious Assessments, addressed to the Virginia General Assembly, June 20, 1785

The Founding Father's created a system of three branches of government to ensure separation of powers while republic and people were giving the mass of power. This was never attempted before even in previous republic's like Rome with only a senate.

John Adams address to MA Officers

“While our country remains untainted with the principles and manners which are now producing desolation in so many parts of the world; while she continues sincere, and incapable of insidious and impious policy, we shall have the strongest reason to rejoice in the local destination assigned us by Providence. But should the people of America once become capable of that deep simulation towards one another, and towards foreign nations, which assumes the language of justice and moderation while it is practising iniquity and extravagance, and displays I have received from Major-General Hull and Brigadier, General Walker your unanimous address from

Lexington, animated with a martial spirit, and expressed with a military dignity becoming your character and the memorable plains on which it was adopted. in the most captivating manner the charming pictures of candor, frankness, and sincerity, while it is rioting in rapine and insolence, this country will be the most miserable habitation in the World; “because we have no government armed with power capable of contending with human passions unbridled by morality and religion. Avarice, ambition, revenge, or gallantry, would break the strongest cords of our Constitution as a whale goes through a net. Our Constitution was made only for a moral and religious people. It is wholly inadequate to the government of any other.”

An address from the officers commanding two thousand eight hundred men, consisting of such substantial citizens as are able and willing at their own expense completely to arm and clothe themselves in handsome uniforms, does honor to that division of the militia which has done so much honor to its country. Oaths in this country are as yet universally considered as sacred obligations. That which you have taken and so solemnly repeated on that venerable spot, is an ample pledge of your sincerity and devotion to your country and its government.
