## Why (IAF) and Gamaliel Foundation had to corrupt our churches.

"In the United State the sovereign authority is religious...There is no country in the whole world where the Christian Religion retains a greater influence over the souls of man than in America. And there can be no greater proof of it's utility and of it's conformity to human nature that it's influence is powerfully felt over the most enlightened and free nation of the earth". "Democracy In America" Alexis de Tocqueville

"I went at your bidding and passed along their thoroughfares of trade. I ascended their mountains and went down their valleys. I visited their many factories, their commercial markets, and emporiums of trade. I entered their Judicial Courts and legislative halls. But I sought everywhere in vain for the "secret" of their success, until I entered the church, it was there as I listened to the soul equalizing and soul-elevating principals of the Gospel of Christ as they fell from Sabbath to Sabbath upon the masses of the people, that I learned why America was great and why France was a slave". Alexis de Tocqueville

Alex de Toqueville wrote "Democracy In America" on his tour and observation of America

**"Religion in America...must be regarded as the foremost of the political institutions of that country; for if it does not impart a taste for freedom, it facilitates the use of it...This opinion is not peculiar to a class of citizens or a party, but it belongs to the whole nation." IS AMERICA'S CONSTITUTION AND THE AGE OF THE GENTILES REALLY OVER? America's War against colonialism of Established Religions. The confusion is dual party support of each enemy

to liberty and Religious Freedom. The ignorance of "Divide and Conquer" strategy at play is destroying us. No one should be above attacks when in defense of U.S. Constitution!

“Good intentions will always be pleaded for every assumption of authority. It is hardly too strong to say that the Constitution was made to guard the people against the dangers of good intentions. Among Orthodox rabbis, there is no lack of speculation on the meaning of contemporary events in light of the messianic hope.” (“Messiah,” p. 1416)

Most of the world's great religions teach that their own way will prevail in the end. Muslims believe the whole world will someday accept their one God, Allah, and Mohammed as his prophet. Most Christians believe that in a coming "millennium" Christ will firmly yet benevolently rule a restored and enlightened world. Religious Jews also await their future triumph, promised by the Talmud. They keenly anticipate the messiah they believe will exalt the Jewish people and Hebraic monotheism to dominate the nations.

## **THE IMPORTANCE OF THE ESTABLISHMENT CLAUSE**

The First Amendment's Establishment Clause prohibits the government from making any law “respecting an establishment of religion.” This clause not only forbids the government from establishing an official religion, but also prohibits government actions that unduly favor one religion over another. It also prohibits the government from unduly preferring religion over non-religion, or non-religion over religion.

Could Vatican's “ECUMENICAL MOVEMENT” uniting all religions and government to form one world religion and government explain Voight's support having been raised Catholic? This carnal and erroneous concept of what it means to be blessed, coupled with a misunderstanding of the LORD's words to Abraham "I will bless those who bless you and whoever curses you I will curse," has given rise to something akin to superstition regarding the blessing of Abraham's descendants, assuming that "blessing" unbelieving Israel (in temporal terms) will guarantee them temporal blessings in return.

The result of "Education Day" brainwashing have misconstrued biblical truth. The only way to impart the blessing of the LORD to Israel is to unashamedly proclaim the good news (gospel) of Jesus Christ. Of those in Israel, 40,000 are security guards who work in supermarkets, malls and schools. But those who are licensed have proved capable of acting swiftly and effectively time and again to neutralize attackers during acts of terrorism. "In 70% of those cases, their intervention was crucial." The two critical factors explaining Israeli civilians' relatively effective responses are training and an embedded sense of responsibility for one another. According to Weishaupt's revised version of the [Age-Old conspiracy](#) the Illuminati were to organize, finance, direct and control ALL international organizations and groups by working their agentur into executive positions at the top. Thus it was that while Karl Marx was writing the Communist Manifesto under direction of one group of Illuminists, Professor Karl Ritter of Frankfurt University was writing the antithesis under direction of another group, **so that those who direct the [conspiracy](#) at the top could use the differences in these two ideologies to start dividing larger and larger numbers of the human race into opposing camps so they could be armed and then made to fight and destroy each other, together with their political and religious institutions."**

"For the Lord spoke thus to me with his strong hand upon me, and warned me not to walk in the way of people saying, " Do not call conspiracy all that this people call conspiracy, and do not fear what they fear, nor be in dread"."

Isaiah 8:11-12

There has been a good deal of talk in these days about [communist](#) infiltration into the churches. I never paid much attention to it because I know the churches and it is obvious that they are the real bulwarks against this evil system. Besides, you will discover this talk has two main sources. First, it comes from religious racketeers who like all racketeers, prey on legitimate enterprises. Second, it comes from men who fear judgment and change and who believe it is 1860 instead of 1960. So I never paid it much mind.

It came to me that a more careful examination should be made and I am sorry to report that there are [unmistakable signs of communist doctrines having captured the minds of some churchmen](#). It is much more subtle and dangerous than we have recognized and I feel it is my duty to speak a warning. For the people who have been making all the fuss about this issue, have missed the point. A friend of mine once remarked about a speech of mine: "The bishop hit the nail right on the head, but it was the wrong nail." This is the perfect description of the activities of most of the brethren attacking churches.

### **The Unholy Alliance -Christianity & The NW0 Part I**

The Bilderbergs. The Trilateral Commission. The Council of Foreign Relations. The Central Intelligence Agency. Most everyone has heard of these groups and some of the conspiracy theories surrounding them regarding the development of the ‘New World Order.’ Now imagine for a moment there is something to this (and there appears to be no lack of documented material justifying these theories). That would mean that at almost every elevated level of business and government, world wide, men and women have infiltrated, become the controlling administrators and are working to effectively control every

aspect of the life of the "world citizen." One aspect of this that has not been properly searched out is the "religious" connection. Surely, given that much of the world is religious, and in the currently reigning SuperPower nation of the U.S., predominantly "Christian," then it would only make sense that these organizations have infiltrated the Church itself and are also actively leading it into the New World Order as well. Do the worlds leading Christian evangelicals have ties to these organizations? Yes they do, and it is thoroughly documented.

## Evangelical Alliance was formed in the belly of the beast

The One World Religion, ECUMENICAL Movement, owes its creation to the Evangelical Alliance, formed in the Lucifer loving "Light-Bringer" Freemason's Hall in London during August 1846.

"Our name indicates our weakness and our shame before God, for there can be and there is finally only one Church of Christ on earth. Our plurality is a deep anomaly. But our name indicates also that we are aware of that situation, that we do not accept it passively, THAT WE WOULD MOVE FORWARD TOWARDS THE MANIFESTATION OF THE ONE HOLY CHURCH" (*The Genesis and Formation of the World Council of Churches*, p. 66).

This supposed "one holy church," this longed for world church, is a figment of a heretical imagination. The Bible does not tell us that there should be a world church. Quite the opposite. The Bible repeatedly warns that "Christendom" will become increasingly apostate as the time of Christ's return draws near, and true Bible churches are commanded to remain separate from this wickedness. # How Marxists Infiltrate the Catholic Church

There are many examples of the Catholic Church backing the “wrong horse” and accepting money from atheist Jew [George Soros](#), the known puppetmaster of Obama and Hillary. [Lay Catholics are rising in protest to money being used for works that would not pass the bible test!](#)

## Defending the Catholic Campaign for Human Development...Alinskyian organizing is intrinsic to the CCHD.

After three years of intense scrutiny into [problematic Catholic Campaign for Human Development \(CCHD\)](#) grants, the American Life League and other concerned groups gave the beleaguered “charity” some space to reorganize. CCHD’s 2013 collection came and went with hardly a peep from its critics and the next year of grants was announced unchallenged. CCHD allies, however, have used the hiatus to argue against any reform or redirection.

One of those allies is Faith in Public Life. In anticipation of the 2008 elections, Faith in Public Life was created by Soros-connected individuals[i] to be a media machine that could give a religious voice to progressive political positions. To this end, progressive clergy from various “faith traditions” were brought together to deliver coordinated messages concerning the election – most critically, that voting for a president needed to be about more than his abortion record. They were so successful that

the organization continued to coordinate other campaigns, such as a push for universal health care regardless of any moral failures built into the new system.”

# Obama, Alinsky and the Devil

by Kevin Jackson

When people ask me, “Why would Obama want to destroy America” – at least the America that most Conservatives know and love? It’s simple. Why wait for Hell, when you can create Hell on Earth?

We often hear of Liberals use of Alinsky’s *Rules for Radicals*, and people discuss Alinsky’s organizing abilities. What they omit is his underlying philosophy. [Alinsky built his organizing model on a love of creating hell.](#)

# The Catholic Campaign for Human Development: Reform or Bust

“While the CCHD has certainly faced extensive [criticism](#), it has also had many defenders. On the USCCB’s website for the CCHD, its mission is described as follows:

The Catholic Campaign for Human Development is the domestic anti-poverty, social justice program of the U.S. Catholic bishops. Its mission is to address the root causes of poverty in America through promotion and support of community-controlled, self-help organizations and through transformative education.

While this sounds ideal in theory, the CCHD’s mission has simply not been adhered to. In its 40-plus year history, the CCHD has funded many [organizations](#) and activities that are at

best questionable and at worst downright reprehensible. Indeed, through the [CCHD annual November collection](#), [American Catholics have funded efforts promoting “reproductive justice”, \(i.e., abortion\) and “marriage equality” \(gay “marriage”\), among other causes.](#)

### Atheist Soros Funds Catholic Groups

The critical role of the Catholic Church in passing national health care reform legislation is coming under serious media scrutiny. But the story has taken a strange turn. It has now been revealed that [George Soros, the billionaire hedge fund operator and well-known atheist, has been pouring hundreds of thousands of dollars into “progressive” Catholic groups](#) that are significant players in the national debates over health care and immigration.

On the surface, it would appear that Soros would be opposed to many positions of the Catholic Church. A major financial backer of the ACLU, Soros supports such causes as drug legalization, the rights of “sex workers” and felons, euthanasia, radical feminism, abortion rights, and homosexual rights. He does all of this in the name of promoting an “open society.”

But a review of the records of his Open Society Institute finds that a group calling itself [Catholics in Alliance for](#)

[the Common Good](#) (CACG) has received \$200,000 from them over the last several years.

## Refugee Resettlement Watch Report:

Refugee resettlement contractors say don't give their money to the children. They want the money for their businesses! These contractors are paid to bring refugees to Tennessee.

This year Congress increased funding for refugee resettlement contractor business to \$1.489 billion, an increase from last year's \$1.12 billion but still short the additional \$1.6 billion that refugee contractors demanded.

Federal refugee contractors like the TN Office for Refugees (TOR) operating in Tennessee, are complaining that the U.S. Office of Refugee Resettlement (ORR) may use some of the contractors' money to help the children crossing the border. TOR says that if their money is reduced they won't be able to help the refugees they have brought to Tennessee. To date, there has been no suggestion by TOR that they would reduce the number of people they plan to bring to the State.

The federal contractors have been directed by their leadership to lobby Congress for more money, which in part is why Pres. Obama's original request of \$2 billion in emergency spending for the border is now \$3.7 billion. If Congress approves this request, the illegals will get to stay and TOR will get all its money. Why shouldn't the contractors get to save their cake and eat it too? [Report here:](#)

## The CCHD and Saul Alinsky

The Catholic Campaign for Human Development (CCHD) is a Washington, D.C.-based, anti-poverty foundation, founded by the Catholic bishops of the United States in 1969. Replenished annually by a November collection in Catholic parishes, the \$15 million foundation gives grants to a wide-range community organizing groups, including those associated with Industrial Areas Foundation, ACORN and other community organizing networks, as well as independent organizing efforts. In addition, CCHD funds worker and community owned development projects.

Generally, these efforts are not affiliated with the Catholic Church. CCHD is one of the largest, if not the single largest, funders of Alinsky-tradition community organizing in the United States. Its origins are in the Catholic Committee for Urban Ministry (CCUM), a 1960s group that brought together clergy, women religious and lay leaders working in our nation's cities for racial and economic justice

CCHD and how the Catholic Church was infiltrated by Alinsky followers. This video by Michael Voris of RealCatholicTV titled "The CCHD and Saul Alinsky" explains a lot. It explains how the Church was infiltrated by Alinsky followers and why Chicago is a source of so much heterodoxy. There's even a tie in with Father Frank Pavone's situation. You see Bishop Zurek's mentor, Bishop John McCarthy of Austin, was one of the founders of CCHD. (See the article below that mentions Fr. John McCarthy as an assistant to Msgr. George Higgins – a rather famous labor activist at the time. Sure, it's OK for Catholic priests to be pro-labor activists, but not pro-Life activists.)

Note also that the "community organizer" Barack Obama got his start in Chicago working with some of Alinsky's disciples and reportedly received funds from CCHD.

He was RECRUITED by Marty Kaufman, which is a pseudonym for Jerry Kellman. Obama writes about him at length throughout the memoir's 160-page section on his experience organizing in Chicago. Saul Alinsky Goes to Church... [Hillary and Alinsky met at a Methodist Church picnic in Chicago.](#)

The origins of community organizing are generally traced to the pioneering work of Saul Alinsky, who built the first community organizing effort in Chicago’s Back of the Yards neighborhood in the 1930s. Alinsky created the early community-based efforts by organizing existing groups into collective action around particular issues. Investigation is limited to scope of IAF Industrial Area Foundation. Same Marxist style training is Gamaliel Foundation which Obama worked and [trained.](#)

## **II. Reasons for selecting the Industrial Areas Foundation for this Commentary:**

**1. The IAF receives the largest percentage of CHD grants of any CHD grantee.** During the funding period of 1992-1997, CHD has awarded significant grants to the IAF. The IAF has received approximately 15% of the national CHD annual budget between 1992-1997.<sup>1</sup> This represents approximately \$6,466,500 during this funding period.

**2. The CHD is historically related to the IAF.** The consistently high proportion of CHD grants to the IAF is in itself a reason to study IAF activities. The IAF's historical relationship to the CHD is another: *"There was no formal link between the Campaign for Human Development and the Industrial Areas Foundation [at the CHD's inception]; but the philosophy behind the newly established CHD had been influenced by key Catholic leaders who in turn had been influenced by Alinsky and the IAF. In fact, funding from the CHD over the years has often gone to broad based community organizations established with the support of the IAF."*<sup>2</sup> During his visit to Britain in 1990, Rev. Al LoPinto, then director of the Campaign for Human Development, explained that the Campaign had no formal commitment to the IAF and broad based community organizing; however, they found the approach to be effective and the IAF organizers to be very professional."<sup>3</sup>

### **III. Founding of the Industrial Areas Foundation:**

**1. The IAF was founded by organizer Saul Alinsky.**<sup>4</sup> Saul Alinsky wrote two books outlining his organizational principles and strategies: *Reveille for Radicals* (1946) and *Rules for Radicals* (1971).<sup>5</sup>

## Ecumenism...One World Religion under guise of "Unity"

**The World Council of Churches (WCC)** is an international ecumenical union of roughly 340 denominations in 120 countries representing more than 500 million professing Christians (including the millions whose only Christian testimony is that they were baptized as infants). It was officially formed in Amsterdam, Holland, in 1948 with 147 denominations. The goal of the World Council was plainly stated at its convening Assembly in August 1948. Former General Secretary of the WCC, W.A. Visser 't Hooft, verbalized the sentiments of the ecumenists gathered for that historic occasion:

“Our name indicates our weakness and our shame before God, for there can be and there is finally only one Church of Christ on earth. Our plurality is a deep anomaly. But our name indicates also that we are aware of that situation, that we do not accept it passively, THAT WE WOULD MOVE FORWARD TOWARDS THE MANIFESTATION OF THE ONE HOLY CHURCH” (*The Genesis and Formation of the World Council of Churches*, p. 66).

This supposed “one holy church,” this longed for world church, is a figment of a heretical imagination. The Bible does not tell us that there should be a world church. Quite the opposite. The Bible repeatedly warns that “Christendom” will become increasingly apostate as the time of Christ’s return draws near, and true Bible churches are commanded to remain separate from this wickedness.
