

MIKEY WEINSTEIN'S FFRF ATTACKS AGAINST RELIGIOUS FREEDOM AND CONSTITUTIONAL LAW

The assaults against Religious Freedom since 2008 has been unprecedented in U.S. since Revolutionary War with no course for redress given. The attacks by Weinstein and his personal front FFRF are undeniable. Freedom (From) Religion Foundation has been at the very forefront of every attack against Religious Freedom within military since Weinstein's appointment at Pentagon as well as across U.S. Is Saul Alinsky's "Marxist Ruling Class" infiltrated every level of government to achieve his goal of "Total Power"? Alinsky Communist organizers have played vital part in attacks against U.S. fundamental laws and Constitutional liberties. While they are eager to manipulate liberties which U.S. Constitution provides. now with their power base in highest levels of government there is no recourse for justice against the militant assaults which threatens our future.

What happened to "The Smith Act" of 1919 and 1940 which prohibited violent covert overthrow by Communist infiltrators? What happened to the justice instilled by House Committee on Un-American Activities? The history of Smith Act involved every level of government even Hollywood.

"Perhaps it is a universal truth that the loss of liberty at home is to be charged against provisions against danger, real or pretended from abroad".

I believe there are more instances of the abridgment of the freedom of the people by gradual and silent encroachments of those in power, than by violent and sudden usurpations June 6 1788 Speech at the Virginia Convention to ratify the Federal Constitution

Letter to Thomas Jefferson 13 May 1798 published in *Letters and Other Writings of James Madison* (1865), Vol. II, p. 141

The Smith Act (54 Stat. 670) of 1940 proscribed, among other things, the advocacy of the forcible or violent overthrow of the government. The act became the analogue of the New York Criminal Anarchy Act sustained in *Gitlow v. New York*, 268 U.S. 652, 45 S. Ct. 625, 69 L. Ed. 1138 (1925). New York had passed that law in 1902,

The [Pincers Strategy style attacks](#) directed both at military and our society as a whole. The combatant attacks directed simultaneously and methodically at religious freedoms, every

constitutional liberty listed in our Bill of Rights, judicial laws the fundamental foundations fabric which knits the fiber of U.S. exceptionalism. Weinstein and FFRF's attacks on Christians in military has been astounding removing bibles from base lodges, removal of God from everything in military from [court martial](#), removal of all references in [oaths](#), [logos on patches](#). Why are these attacks limited only to Christianity? Islam, Wicca and even Satanism is allowed within our military now. #13. Do away with all loyalty oaths.

The assaults against the very “fiber” of our Judicial Laws and Constitutional Freedoms has been bi-partisan and felt throughout the world.

Those words were recently written by [Mikey Weinstein](#), founder of the Military Religious Freedom Foundation (MRFF), [in a column he wrote](#) for the Huffington Post. Weinstein IS a consultant to the Pentagon in charge of developing **new** policies on religious tolerance, including a policy for court-martialing military chaplains who share the Christian Gospel during spiritual counseling of American troops.

Joseph Story served as Associate Justice of the U.S. Supreme Court from 1811-1845, and founded the Harvard Law School. "Chief Justice John Marshall welcomed the young scholar, and their working relationship was one of the most productive in the history of the Court. ... From his teaching came a dozen volumes of legal commentary on public and private law. Through his multiple roles as judge, teacher, and publicist, Story was the most commanding legal figure of his age."16 The following quotes from this renowned Associate Justice leave no doubt of the vital importance Christianity played in both the private and civil life of America.

"I verily believe Christianity necessary to the support of civil society. One of the beautiful boasts of our municipal jurisprudence is that Christianity is a part of the Common Law. . . There never has been a period in which the Common Law did not recognize Christianity as lying its foundations."
<http://www.lonang.com/index.html>

"Christianity becomes not merely an auxiliary, but a guide, to the law of nature; establishing its conclusions, removing its doubts, and evaluating its precepts."

"My own private judgment has long been (and every day's experience more and more confirms me in it) that government cannot long exist without an alliance with Religion to some extent, and that Christianity is indispensable to the true interests and solid foundation of all governments. . . . I know not, indeed, how any deep sense of moral obligation or

acceptableness can be expected to prevail in the community without a firm foundation of the great Christian truths.”

If Christianity was written into “Common Law” to ensure “morality” while leaving religion up to conscience would it be National duty to defend it????

“Christianity is part of the common law” James Wilson, Signer of the Declaration of Independence and the Constitution Supreme Court Justice appointed by George Washington Spoke 168 times during the Constitutional Convention [Sources: James Wilson, Course of Lectures [vol 3, p.122]; and quoted in Updegraph v. The Commonwealth, 11 Serg. & R. 393, 403 (1824).]

Could Gamaliel Leader and FFRF Founder Mikey Weinstein’s attack be covert attacks against the very fiber of our Judicial Law?

IRS Agrees to Atheist Group's Demands to Monitor Sermons

Obama's Oct. 26, 2012 Executive Order Partnership among the most dangerous to freedom in America. Not only did this fascist [Executive Order](#) place most Federal Agencies under Homeland Security but included "non-governmental agencies" which share same views. This could include former Gamaliel Foundation Executive organizer Mikey Weinstein's Freedom From Religion. Both Weinstein and Obama worked for Gamaliel Foundation. Weinstein was appointed over Pentagon Religious Freedom.

IRS has agreed to monitor pastor's sermons as part of plea bargain relating to lawsuit by Weinstein's Freedom From

Religion Organization.

The Internal Revenue Service continues to extend its already vast overreach, this time by agreeing to monitor church sermons as part of an agreement the government made on July 17 with the aggressively atheistic Freedom From Religion Foundation.

Freedom Outpost reported, "The Internal Revenue Service settled a lawsuit brought by the Freedom from Religion Foundation. The 2012 lawsuit was settled after the IRS agreed to monitor what is said in houses of worship, something that is a clear violation of the First Amendment, since no law can be written by Congress to this effect."

The Freedom From Religion Foundation, based in Wisconsin, brought the suit against the IRS, asserting that the group had been ignoring complaints that churches were violating their tax-exempt statuses. [According to the group's suit, churches promote political issues, legislation, and candidates from the pulpit.](#)

There is nothing mentioned about Labor Unions political ties and funding while receiving tax exempt status for union dues. Churches have fell for Lyndon B. Johnson's trap of 401c3 he created. The fact is churches have always had tax-exempt status. Johnson's bill only applied to churches which have business attached to their church. This was only a means to silence the church voice and [hush money](#) for churches who took the bait.

Using that 4th Rule...“Make the enemy live up to its own book of rules. You can kill them with this, for they can no more obey their own rules than the Christian church can live up to Christianity.”

“Notice that there was no reiteration of Catholic teaching that homosexuality is immoral and a disordered lifestyle. Yet,

the Bishops have been enthusiastic about passing a new immigration bill that extends amnesty to illegal aliens.

A December 12, 2010, message from "Justice for Immigrants," a project of the U.S. Conference of Catholic Bishops (USCCB), declared: "DREAM Act wins in House, focus is now on Senate. Thanks to your great effort, the House of Representatives passed the DREAM Act on Wednesday night with a 216-198 vote. It has been a tough battle, but we cannot let up now. We need to keep the momentum going." When the DREAM Act failed to pass in the Senate, Sister Simone Campbell, the Executive Director of NETWORK, a National Catholic Social Justice Lobby,

issued a statement saying: "The Senate's vote to block passage of the DREAM Act raised bullying behavior to a new level in our nation. By targeting children who were brought to the U.S. by their undocumented immigrant parents and by denying those children the opportunity to earn citizenship through hard work and sacrifice, legislators have embarrassed themselves and our nation. Worse than that, legislators who voted against DREAM yielded to pressure from nativist, bigoted people who find no shame in going after children during this Christmas season by spreading lies about the content and intent of the bill. Shame on all those senators who chose politics over justice and compassion. At NETWORK, we will press the new Congress to finally reform our immigration system so that justice triumphs over bigotry." <http://religiousleftexposed.com/.../upl.../2013/12/-mayer.pdf>

Exclusive: Nonprofit CEO cashes in on religious freedom campaign

Over the last decade, Military Religious Freedom Foundation founder and president Mikey Weinstein has become one of the most persistent and vocal activists in the military community, ferociously arguing for the separation of church and state in the military.

His compensation for running MRFF is also exceptionally large compared with top salaries at most nonprofits, military-related and otherwise – especially those the size of MRFF, an Air Force Times examination of the organization's tax filings shows. In 2012, Weinstein received total compensation worth \$273,355 – about 47 percent of all money MRFF raised through contributions and grants that year, according to IRS filings accessed on the nonprofit transparency website GuideStar.

Among the Communist Goals for America which was entered as part of Congressional Record January 10, 1963 is:

#27. Infiltrate the churches and replace revealed religion with "Social" religion. Discredit the Bible and emphasize the need for intellectual maturity.

#28 Eliminate prayer or any phase of religious expression in the schools on the ground that it violates the principle of "Separation" fo church and state".

#29. Discredit the American Constitution by calling it inadequate, old-fashioned, out of step with modern needs, a hindrance to cooperation between nations on a worldwide basis.
